

## Ready to ski?

Your hosts, Mark and Cathy are skiers who set up the company Go-Alpine in 1999 with all their expertise over 30 years experience in the heart of the Alps. Our key words are quality and service. The choice is between a "Luxury chalet" half board located in the village or an "apartment on the slopes" for a holiday tailored to suit your budget. We concentrate uniquely on the Peisey Vallandry area of Les Arcs so that we are on hand personally to ensure the smooth running of your holiday.
